

June Rhodes Report

Testimony snapshots from June 2010 Junior Week at Gila Christian Ranch

"The things I liked the most were the dunking tank, the food, water balloon launcher, and the skits. I also really liked the preaching. It was really good. But the most important decision was me giving my life to fulltime christian service for the rest of my life. I really think this was the best week of my life. (Besides the week I got saved and baptised.)" *Note from the Ranch Manager: We don't baptize anyone. Was she confused about the dunking tank?!*

"Dear Mr. Roads, I decided to give God my heart and I had fun at camp. I mite come next year and I mite not come. I don't know yet. Love, ***** " *Note from the Ranch Manager: Her precious paper was plastered with hand drawn red hearts.*

"Dear Mr. Rhoads, I learned a lot of cool stuff here at Gila Christian Ranch. I also made lots of new friends. But I also made a decision. I got saved. I also learned that if you want to go to heaven you have to get saved. Your friend, ***** "

"Dear Mr Rhodes Thank you for starting the camp and putting in air hockey. I've never played it. I got saved and made a decision to trust God and read my bible. This is my first week at camp. I'm coming next year. Thank you."

Forgive me, but I really like this last one!

"Dear Mr. Road's You are so cool and if you weren't here I would not be here. Love you in Christ. Love, ***** "
